

## IA Compliance: The Full 360° View - Compliance Solutions for a Rapidly Changing Regulatory World

APRIL 5-7, 2017

New President. New Congress. New SEC commissioners. New regulatory initiatives out of Washington. All this equals more challenges for compliance officers. The big changes in our nation's capital translate into new responsibilities for you, as you'll be tested to ensure your firm can comply with Washington's expanding expectations. Enroll in IA Watch's 360° crash course designed to guarantee that you'll meet the task ahead.

Partner Jonathan Cedarbaum will participate in a panel discussion titled "Cybersecurity: Emerging Threats and Best Practice Solutions," which will discuss the SEC's focus on cybersecurity, including governance and risk assessment, access rights and controls, data loss prevention, vendor management training and incident response. The panel will deliver best practices in each of these areas and reveal what examiners expect of compliance on the cyber front.
