

IBC Informa: Airlines, Airport Infrastructure and Competition Law

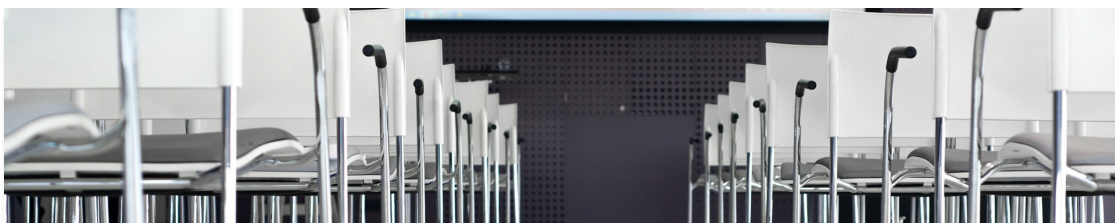

2009-04-27

This legal conference, presented by IBC Informa, will cover key legal and policy issues that have been identified by the airline industry in the midst of intensive research. Speakers will provide an in-depth analysis and expert commentary on setting the scene in regulatory framework, International consolidation, remedies, state aid in the aviation industry as well as the impact and challenges of the EU-US Open Skies Agreement. In addition, the panel will also analyze recent mergers and strategic alliances and the processes of securing access, regulation of prices and slots within the regulation infrastructure.

WilmerHale partner Sven Voelcker will be a featured speaker at this event.
