IdeaStream 2016: The Lab-to-Market Symposium

CAMBRIDGE, MA

This event will give attendees a chance to engage with leaders from the MIT innovation economy, from the knowledge creators to VCs, entrepreneurs and corporate leaders. The symposium showcases cutting-edge research from leading labs that is on its way to commercialization. Hear about some of the technologies that will have impact on the ways we work and live.

Brainstorm with peers during the networking breaks and Innovation Social Hour, and engage with the presenters on the applications and market opportunities for their technologies.

This year's IdeaStream will showcase new ideas in healthcare, materials, energy, information technology and electronics.

WilmerHale is a premiere sponsor of this event. To attend, please contact the MIT Deshpande Center at deshpandecenter@mit.edu
