

Institutional Investor Forum 2012

2012-03-27

This program will focus on portfolio management legal issues that lawyers and investment professionals currently face, and provide practical solutions to those challenges. It will feature a distinguished faculty composed of the general counsels and senior legal officers of prominent global institutional investors, leading law firm attorneys and others who will analyze important, current legal portfolio management issues, including those associated with energy and natural resource-related investments.

WilmerHale Partner Matthew Chambers is a featured speaker at this event, and will be participating in a panel entitled, "Topical Legal Issues Confronting Lawyers Supervising Investment Portfolios Today."
