

## International Bar Association: 2nd IEL/SEERIL International Oil and Gas Law Conference: Thriving in a Challenging Environment

NOVEMBER 8-10, 2009

This conference, presented by the Institute for Energy (IEL) of the Center for American and International Law and the Oil and Gas Law Committee and United Kingdom Energy Lawyers' Group (UKELG) of the International Bar Association's Section on Energy, Environment, Natural Resources and Infrastructure Law (SEERIL), will cover a wide range of topics related to environmental and contract issues and the various ways to deal with them. Attendees will have the opportunity to hear discussions on topics including contracting in a difficult environment, regulatory enforcement today, oil and gas M & A and alternative dispute resolution.

WilmerHale partner Steven Finizio will be a speaker at this event. He will speak on the topic of "The Role of Experts in Dispute Resolution."
