

International Technology Law Association Conference: "The Virtual Landscape — How Video Games Have Transformed the Law"

FEBRUARY 14-15, 2007

Partner Jorge Contreras was a featured speaker at this firm-sponsored conference, presented by the International Technology Law Association (ITechLaw) and Trade Fairs & Conferences International (TFCI). The conference addressed recent developments in India-related business ventures, such as Mergers & Acquisitions, Venture Capital and Private Equity Investing in India, as well as various other legal issues associated with doing business in global technology markets, including Technology Public Offerings on AIM, Managing Technology Risk Internationally, Employment Law Issues for Technology companies, Video Gaming and Internet Neutrality, among others.
