

Law Seminars International: Workshop on MEPA and NEPA

2009-06-10

This workshop, presented by Law Seminars International, covered current MEPA/NEPA compliance issues and provided a broad outline of requirements under NEPA and MEPA, for large and small projects, including summaries of recent case law developments under the NEPA and MEPA. It also addressed more advanced issues of interest to experienced practitioners, including current practice under the MEPA greenhouse gas policy requirements and other recent developments under integrated MEPA and permitting review, the groundbreaking Green Communities Act, and how new stormwater regulations and the Oceans Act fit with MEPA/NEPA.

WilmerHale Partner Mark Kalpin and Counsel H. David Gold were a featured speakers at this event, and presented on the topic "[NEPA Case Law Update](#)."
