

Legal and IP Issues for Startups: TiE LaunchPad Workshop

2012-06-14

Whether you're planning to start a new company or are already involved in an early-stage venture, there are a myriad of legal and intellectual property considerations critical to startup success. At this seminar, emerging company and IP lawyers from WilmerHale will address topics including:

- incorporation strategies;
- startup employment matters;
- understanding and protecting your IP;
- changes to the recent patent act - America Invents Act - that impact entrepreneurs; and
- candid lessons learned and landmines to avoid from both the legal and entrepreneurial perspectives.

WilmerHale Partners Joshua Fox, Monica Grewal and Counsel Larissa Park will share, offer advice, and answer your most pressing legal and IP questions.
