

Legal Frontiers in Digital Media 2012

MAY 21-22, 2012

This Media Law Resource Center conference will cover topics including: content monetization and the mechanics and business models for digital media; the operational side of social media; anonymity and social responsibility on the Internet; international content regulations related to defamation, copyright and privacy; recent developments in US copyright law; and venture capital issues.

WilmerHale Partner Patrick Carome is a featured speaker at this event, and will be participating in a panel presentation entitled "Online Content Un-Distribution: Global Systems for Content Regulation."
