

Legal Issues for Startups: Data Privacy

FEBRUARY 26, 2013

Technology startups face a daunting array of regulatory considerations affecting e-commerce businesses in a global marketplace. WilmerHale Regulatory Partner Heather Zachary presented a brief overview of important steps for handling customer data and for avoiding transactions with prohibited countries and parties to WeWork Labs Companies in New York, as a part of WilmerHale's Legal Series for Startups. She discussed recent developments in these areas and what should be done to protect businesses.
