

Legal Issues for Startups: Your Ideas and Technology Are Your Company's Most Valuable Assets: Protecting Your Intellectual Property

NOVEMBER 14, 2012

WilmerHale Intellectual Property Partner Adit Khorana and Emerging Company Counsel Ashwin Gokhale presented with Dorrian Porter, Founder and CEO of Mozes and Brian Knapp, VP Business Development and General Counsel at Yes Video (formerly at Green Dot and Loopt) at WeWork Labs in San Francisco on key intellectual property issues facing entrepreneurs. Topics included intellectual property rights and assignments during idea development stages; whether patents should be filed; and options for protecting intellectual property; handling IP-related contracts; and cautions regarding open source software and other third party technology.
