

Life Sciences Breakfast Seminar - Washington D.C. / Reston

This is the second in our series of breakfast seminars for life sciences companies. Co-sponsored by Virginia Biotech and the Washington Business Journal, this seminar will discuss the patent strategy, FDA and litigation challenges faced by biotechnology companies in bringing their discoveries to market. Hale and Dorr partner Henry Wixon will moderate the seminar. Hale and Dorr partners William Lee, Mark Heller and James Quarles will be featured speakers along with Vivian Madison Pratt of AAI International.
