

Mass High Tech: Women to Watch 2008

2008-03-05

Mass High Tech will present their 5th Annual Women to Watch event, which recognizes women in tech and life sciences who are go-getters, hard working, inspirational and motivational to their peers. These up-and-comers are continuing to grow and will shape the future of their industries. The evening will feature a networking cocktail reception, followed by an awards ceremony where these women will share the stories of their success. More than 250 people from the private and public sectors as well as academia are expected to attend.
