

Mass Opportunities: A Biotechnology Investment Conference

OCTOBER 27-28, 2003

The Massachusetts Biotechnology Council is pleased to present its fifth annual investor conference featuring public and private companies, investment professionals, roundtables and panel discussions on industry hot topics. Hale and Dorr will sponsor a panel discussion at this year's event, "Teaching an Old Drug New Tricks". The panel discussion will address the pressure and challenges of getting the most out of products and maximizing their lifecycle, while improving efficacy, reducing side effects and lowering the cost of drug development.
