

Mass Tech Leadership Council: China, India and Russia: Our Partners in the New Global Economy

2008-04-17

MTLC will present an event entitled, "China, India and Russia: Our Partners in the New Global Economy." This will be an unprecedented presentation of three of the leading country markets in the new global economy, featuring public policy perspectives from high-level government leaders, operating insight from international company executives, and practical advice for companies interested in entering these markets. The conference will include networking opportunities with company representatives from China, India and Russia.

WilmerHale is a sponsor of this event.
