

## MassBio Annual Meeting 2015

CAMBRIDGE, MA

The MassBio Annual Meeting is a two day event that focuses on the most timely and critical challenges facing the Massachusetts biotechnology industry. As MassBio's largest event, drawing close to 400 industry leaders, the meeting program is compiled by a Steering Committee includes keynote presentations, plenary discussions, two panel tracks (Better Business and Trends in Science), and extensive networking opportunities. The MassBio Annual Meeting also includes the Innovative Leadership Award Luncheon, which honors an industry leader for his or her contribution to moving the industry forward.

MassBio will commemorate its 30th year as a trade association at the 2015 Annual Meeting.
