

MATTO New Ventures Showcase

BOSTON, MA

The Massachusetts Association of Technology Transfer Offices (MATTO) is showcasing startups emerging from Massachusetts research institutions, hospitals and universities. A select number of new ventures will pitch to an audience of angel investors, venture capitalists, corporate investors and family offices. The forum will showcase startups from various fields, including life sciences, ocean and marine sciences, food and nutrition, cybersecurity, big data, clean tech, manufacturing, materials, IT/communication, health tech and more.
