

## MIT and the Institute for Pacific Asia Present the Forum on International Cooperation in University Tech Transfer: China and US Perspectives

2005-06-13

As part of the Institute for Pacific Asia's delegation visit to Boston, this conference will address an audience of technology transfer representatives from participating Chinese and Asian institutions including their higher education policy makers and university intellectual property specialists responsible for addressing IPR protection. This event will cover intellectual property rights through the tech transfer process, opportunities for scientific and research collaboration, and identify and address obstacles in scholarly exchanges.
