

MIT Enterprise Forum: Startup Spotlight

BOSTON, MA

The Startup Spotlight is a fun night of networking that features demos from more than 35 startups. The event—which is the capstone of our program season—brings together innovators, entrepreneurs, investors, corporate business development and business professionals to experience what's next in tech from the innovators in our area...and beyond.

Enjoy a cocktail and great food while you make your way through each exhibitor table, talk to the founders and learn more about their companies.
