

MIT Enterprise Forum: Startup Spotlight 2018

BOSTON, MA

At the Startup Spotlight, you'll network your way through a curated group of startup demos with other like-minded tech curious folks. There will be approximately 30 demo tables for you to learn more about startups and the people behind them. After you've checked out the demo tables, you'll be asked to vote based on the following categories: Company I Want to Have a Beer With; Future Unicorn; and Most Likely to Develop a Cult Following.
