

MIT Enterprise Forum's Fashion 4WRD: Revealing the Future of Design & Technology

BOSTON, MA

This event will explore how Fashion and Technology will evolve in the next 10 years. Curated by Descience, the kick off of the MITEF Innovation Series and hosted at the MFA. Dress to inspire for an exciting evening at the Museum of Fine Arts Boston where the hosts will reveal the future of design, fashion, science and technology. The evening will include a world class panel discussion, the Future Lab highlighting game changing startups, technologies and designs with demo experiences where guests can try new technologies, interact with sponsors, attend spotlight talks in the museum on 3D printing, and more.
