

MIT: Interactive Entertainment SIG

2008-10-07

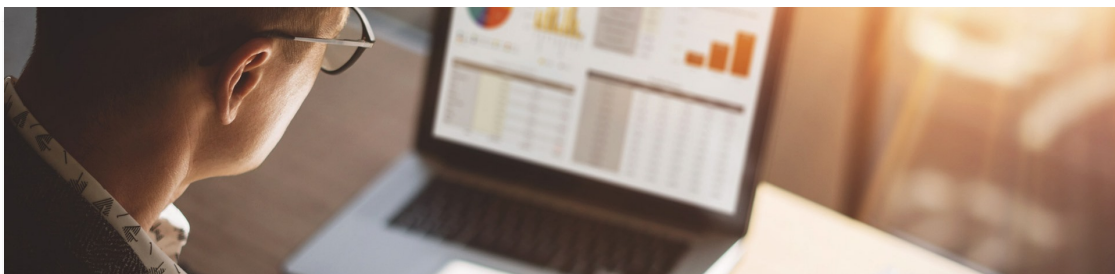

The focus of the Interactive Entertainment SIG is to provide educational and networking opportunities to the interactive entertainment community and to drive awareness and support the growth of the interactive entertainment industry in the Boston area.

This event, presented by MIT, will concentrate on the timely issues influencing this converging industry. Educational sessions are designed to address topical concerns and encourage networking across the media that formulate the dynamic Interactive Entertainment industry.

WilmerHale is a sponsor of this event.
