

## MIT: Software & Advanced Computing SIG Funding

2008-01-23

The Software Entrepreneurship/Advanced Computing SIG of the MIT Enterprise Forum has a upcoming program where attendees will have the opportunity to hear from entrepreneurs who have been funded by credit card, by friends and family, and by customers. Key questions will include: What are the other funding sources? What are the ups and downs? Would our speakers have done it differently if they had it all to do over again?

WilmerHale is a sponsor of this program, hosted by MIT.
