

Munich Network: WakeUp! "OpenSource Software (OSS) - Viruses against Investments?"

2006-03-23

OpenSource Software is on the advance and various software contains OpenSource components. Do you know the effect a few lines OpenSource Code can have on your software product? If the worst comes to the worst, financings or a sale of business may fail. At the The Munich Network WakeUp! seminar, WilmerHale partner Dr. Florian von Baum will report from practical experience and discuss possible solutions.
