

NACD Spring Forum

MAY 27, 2014

NACD's Spring Forum provides insights and interactive peer exchanges to corporate directors and governance experts on how boards can prepare for emerging technology trends and the impact of globalism. WilmerHale Partners Benjamin Powell and Aaron Zebley led a peer exchange session titled "Cybersecurity: The Role of the Board of Directors." This roundtable discussion centered on the actions of boards of directors in addressing cybersecurity while coming under increasing scrutiny from regulatory authorities and others.
