

Nano Science and Technology Institute: 2006 Nanotech Conference and Trade Show

2006-05-10

This conference, sponsored by the Nano Science and Technology Institute, hosted key industry leaders, experts and speakers from a wide variety of industries and backgrounds. Attendees had the opportunity to hear presentations, discussions and keynote speakers from industries such as electronics, telecommunications, food, environmental, personal care and others, as well as visit the 250 companies that took part in the trade show.

WilmerHale counsel James Votaw was a featured speaker at this conference. He spoke on the topic of “Nanotechnology and Environment: Navigating the Uncertainties – A Legal Perspective.”
