

## New Antitrust Damages Directive

NOVEMBER 20, 2015

Gathering leading national competition authorities and national courts (from the UK, the Germany, The Netherlands...) as well as pioneers in antitrust private litigations from across Europe, this event will provide an in-depth look at the risks and opportunities brought on by this new private enforcement tool.

Attend to:

- Assess the impact of the presumption of harm and reverse burden of proof on the defendant
- Master the new rules of evidence disclosure between civil courts and national and European competition authorities
- Anticipate the implementation of the new Directive in national regimes by December 2016

WilmerHale Partner Frédéric Louis will speak about "The regulatory big bang for EU damage claims: Presumption of harm and evidence disclosure."
