

New England Clean Energy Council: Advancing Federal Clean Energy Policy

SEPTEMBER 18, 2013

The New England Clean Energy Council (NECEC) and The Pew Charitable Trusts' clean energy program hosted an interactive policy discussion with the clean energy business community on pending federal policy issues. The NECEC's mission is to accelerate New England's clean energy economy to global leadership by building an active community of stakeholders and a world-class cluster of clean energy companies.

WilmerHale Partner Mark Kalpin was a featured panelist at this event.
