

New York University Law: The Law Alumni Association Fall Lecture and Global Economic Policy Forum (CLE)

2009-11-05

The 2009 Global Economic Policy Forum will be jointly sponsored by The Center for the Study of Central Banks and the Law Alumni Association. Attendees will have the opportunity to hear world government and economic leaders discuss the issues of economic policy and the capital markets. CLE credit will be available.

WilmerHale Counsel Sara Kelsey will be a panelist at this event. She will speak on the topic of "The Future of Regulation and the Capital Markets."
