

## Northwestern University's 42nd Annual Securities Regulation Institute

JANUARY 26-28, 2015

The Securities Regulation Institute reaches prominent attorneys from both firm and in-house practices. From boardroom updates to issues impacting pre-public companies, the Institute focuses on practical advice for all attorneys advising corporate clients on the ever-changing world of securities and business law. During this three-day event, attendees learn from regulators who write the new regulations, judges who interpret the law to resolve complex disputes, and prominent practitioners who guide their clients through the maze of new legislation, regulations and jurisprudence.

WilmerHale Partner Meredith Cross will co-chair the session "Planning for 2015 Proxy Season – Key Trends and Developments," and Partner William McLucas will be a featured speaker during the panel "Enforcement and Criminal Investigations."
