

## Open Source Business Foundation: Open Source Licenses and Marketing Models - The Legal Framework

2010-03-19

This workshop, presented by Open Source Business Foundation e.V., will discuss the interaction between marketing models and OSS licenses, including the significant implications this relationship can have on a company's appeal to venture capital investors. Attendees will have the opportunity to hear case studies and discussion on the interactions between possible business models and OSS licenses, learn about the typical challenges and problems, as well as hear insights on the areas of outsourcing, privacy/compliance and electronic commerce.

WilmerHale counsel Dr. Martin Braun will lead this workshop.
