

PLI's 6th Annual Patent Law Institute

FEBRUARY 16-17, 2012

The Institute is designed to be of ultimate practice value to all three subgroups in the patent law community: patent prosecutors, patent litigators, and transactional lawyers. The two-day schedule includes six plenary sessions of interest to all patent lawyers and a separate breakout track for prosecution, litigation and transactional lawyers. Each track features six sessions focused on each of those three practice subgroups. You can design the two-day schedule that best meets your professional needs. This is an opportunity to sharpen your practice skills and to network with federal judges, USPTO officials, in-house counsel and outstanding outside patent lawyers.

WilmerHale partner Seth Waxman is a featured speaker at this event. He will be speaking on the topic, "Dialogue Between the Bench and Bar."
