

Practising Law Institute: Banking Law Update 2009: Shaping the Future of the Financial Services System

2009-12-09

This seminar, presented by PLI, will focus on the fundamental transformations to the operations and oversight of the financial system that the US Congress and Administration have begun to make in response to last year's global financial crises. This program will provide important context for those seeking to understand the financial crisis as well as an update on the fundamental regulatory and legislative changes that are reshaping our financial system. Senior executives, legal and compliance staff, investment bankers, outside counsel, others involved with domestic and international financial institutions, as well as individuals seeking a better understanding of banking law will benefit from this program.

WilmerHale Counsel Sara Kelsey will be a featured speaker at this event. She will speak on the panel entitled "The Reorganization of Financial Supervision."
