

Practising Law Institute: Going Private: Doing It Right 2009

2009-02-26

While the number of public companies going private slowed in 2008 due in large part to the credit crunch, private equity funds continue to finance the “right” deals. WilmerHale Partner Michael J. O'Brien will be a featured speaker at this program. He will speak on the topic of "What Is a Going Private Transaction?"
