

Practising Law Institute: Preparing the 2014 Form SD (Conflict Minerals Disclosure)

APRIL 30, 2014

As the first filing deadline in connection with the Securities and Exchange Commission's (SEC) conflict minerals disclosure rules rapidly approaches, registrants and their advisors are focused on the disclosures required to be included in the Specialized Disclosure Form (Form SD) and if applicable, the Conflict Minerals Report (CMR). Hosted by Practising Law Institute, this event will provide attendees with practical perspectives and leading practices in preparing the Form SD and CMR and documenting compliance with the provisions of the SEC's conflict minerals rules.

WilmerHale Partner Lillian Brown will speak on two panels at this program, "Drafting the Conflict Minerals Report & Planning the Independent Private Sector Audit" and "Frequently Asked Questions about Preparing the 2014 Form SD."
