

Safeguard Your Company's Trade Secrets and Proprietary Information

WALTHAM, MA

Foreign nations that seek to improve their economies and militaries target US companies and Academia. Intellectual property (IP) thefts cost US companies approximately \$1 trillion a year.

What techniques do foreign competitors/adversaries utilize to steal IP?

What are some of the best practices and protective strategies companies can adopt to prevent the theft of IP and Trade Secrets? Attend this discussion, featuring Carmine Nigro, Special Agent (SA), Counterintelligence (CI) Strategic Partnership Coordinator, FBI Boston, about safeguarding your company's trade secrets and proprietary information.
