

SIFMA Anti-Money Laundering and Financial Crimes Conference

FEBRUARY 24-25, 2015

SIFMA's 2015 Anti-Money Laundering and Financial Crimes Conference will bring together leading authorities from the industry, regulatory agencies and law enforcement to discuss new trends in financial crime; emerging issues relating to anti-money laundering, economic sanctions and anti-bribery/anti-corruption compliance; and changes in regulatory expectations and requirements. Now in its 15th year, this is the only conference in the AML space tailored to broker-dealers and other members of the securities industry.

WilmerHale Counsel Katrina Carroll will be a featured speaker at this event on a panel titled, "Regulators," which will focus on the regulators' priorities for 2015, their perspectives on significant current issues facing the industry, and the challenges facing both the industry and the regulatory community in the current AML/financial crime environment.
