

Springboard New England 2002

Hale and Dorr is a proud sponsor of Springboard New England 2002 - Venture Capital Forum.

Springboard is a national program designed to accelerate investments in women-led firms and facilitate new deal flow to investors. Springboard New England 2002 will feature the next generation of high-growth women entrepreneurs in technology and life sciences from the New England and New York areas. The forum will showcase 20-25 of the strongest women entrepreneurs to an audience of the area's top corporate, angel and venture investors.
