

Stanford University Conference on IP Law and Biosciences

2012-04-27

Join us for an informative discussion with leading experts from academia, industry and the judiciary on the latest developments in intellectual property law and the biosciences. Judges, top legal scholars and experienced practitioners from across the country will examine some of the key legal and policy issues raised by the biosciences industry.

Panels

- Patent Litigation in the Biosciences: A View From the Bench
- Patentable Subject Matter
- Luncheon and Keynote
- Solutions to the Biotech Patent Thicket
- Exhaustion, International Sales, and Downstream Control
