

## Startup Weekend – Global Startup Battle

ARLINGTON, VA

Global Startup Battle is back for 2014. As the world celebrates Global Entrepreneurship Week, we'll be hosting the biggest startup competition the world has ever seen! Become part of the legacy of successful GSB teams by competing regionally, in a themed Track or both!

Startup Weekend is a global grassroots movement of active and empowered entrepreneurs who are learning the basics of founding startups and launching successful ventures. It is the largest community of passionate entrepreneurs, with events in over 100 countries and 600 cities around the world. From Mongolia to South Africa to London to Brazil, people around the globe are coming together for weekend long workshops to pitch ideas, form teams, and start companies.

All Startup Weekend events follow the same basic model: anyone is welcome to pitch their startup idea and receive feedback from their peers. Teams organically form around the top ideas and then it's a 54 hour frenzy of business model creation, coding, designing, and market validation. The weekends culminate with presentations in front of local entrepreneurial leaders with another opportunity for critical feedback.

Whether entrepreneurs found companies, find a co-founder, meet someone new, or learn a skill far outside their usual 9-to-5, everyone is guaranteed to leave the event better prepared to navigate the chaotic but fun world of startups. If you want to put yourself in the shoes of an entrepreneur, register now for the best weekend of your life!
