

## Successor Liability in Bankruptcy Asset Sales: Navigating the Limitations on "Free and Clear" in Section 363 Sales

JUNE 10, 2014

WilmerHale Partner George Shuster will discuss the doctrine of successor liability and an analysis of why that doctrine does not fit squarely with the doctrine of "free and clear" sales under Section 363(f) of the Bankruptcy Code during a webinar hosted by Strafford. The program will analyze other examples of where the language in a "free and clear" sale order may not match the reality of whether a buyer will be insulated from future claims, and provide guidance on how to maximize the available protections for a buyer in the Section 363 sales process. CLE credit will be offered.
