NEW YORK, NY

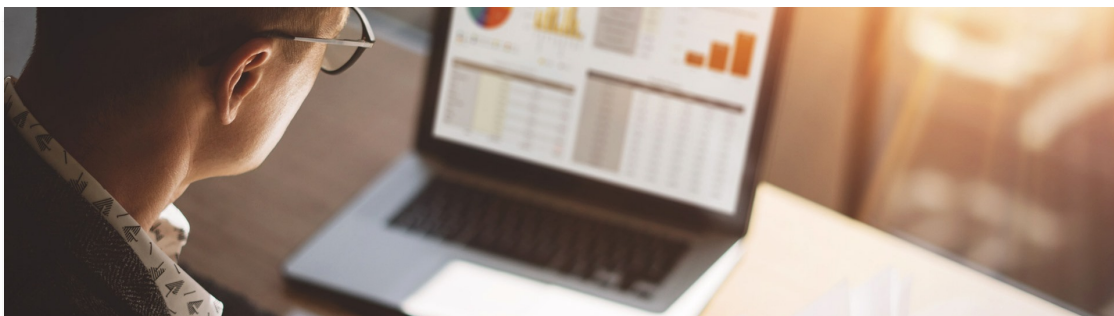

Come out and kick off the summer with Youcanevent at WeWork Time Square. After work, instead of grabbing a beer at the bar outside of your office, or heading home in rush hour traffic, join WeWork for an unforgettable night of discovery, fun and great networking.

In a beautiful rooftop venue overlooking Time Square, in one of the most iconic locations on the planet, WeWork is bringing together students, job seekers, artists, members of the startup community and young entrepreneurs from various industries under one roof to create a forum like no other. Due to the various disciplines in which our attendees practice, there will be great opportunities for all of our guests to not only meet others within their own industries, but to mingle, collaborate and create long lasting business relationship with members of complimenting industries as well.

At this event, one can expect to see tech startups displaying their latest innovations in technology, aspiring food vendors sampling out their latest culinary creations, artists exhibiting their latest works and so much more.
