

## TechNet: How the New Administration and Congress Will Impact Silicon Valley Business

2008-11-06

The 2008 election was an epic event in U.S. history. Never before has an election garnered such widespread interest with U.S. and world attention focused on the sweeping changes that a new Administration and Congress will bring to Washington and beyond. TechNet, along with WilmerHale, presented a discussion that included such topics as: financial markets regulation and crisis response, patent reform and probable developments at the PTO, energy and environmental policy (cap and trade, cleantech, etc.) and the corresponding business opportunities/challenges, possible healthcare policy changes and how it will impact businesses and FDA regulation and policy implications.

WilmerHale partners Reginald Brown, Lynn Charytan and Jamie Gorelick were panelists at this event.
