

The Basics of Managing the Board

SAN FRANCISCO, CA

One of the most important choices for a young startup is finding the right partners to work with. Finding and working with the best advisors and directors is a key to company success. Who do you want on your board? What types of questions do you raise with the board? How can they help you through the critical years of your company's development?

Please join Carol Sands, founder and managing member of The Angels' Forum, during this informative and interactive session that will help you answer these questions and make informed board decisions.
