Waltham, MA

Constant Contact 1601 Trapelo Road Waltham, MA 02451

This event will feature a panel discussion on startup formalization using founder agreements. These agreements define each team member's roles and responsibilities as they will appear in legal filings. Equity ownership and vesting will be addressed as will the impact of unequal founder initial investment. Another essential aspect of technology startups is intellectual property ownership. Will some of the founders bring IP with them to the new venture? If so, IP ownership and licensing issues must be settled.
