

## The Boston Startup Challenge

CAMBRIDGE, MA

The Global Silicon Valley is coming to Boston! The Boston Startup Challenge is convening Boston's top entrepreneurs, investors and corporate executives from around the city for a day focused on the *Industries of Tomorrow*. Hear from technology thought leaders and 10 Seed/Series A startups focusing on Digital Health, EdTech, Cybersecurity, the Internet-of-Things and FinTech.

Join our panel of leading Boston VCs as they determine which startups get \$225,000 in non-dilutive financing and help us select a \$10,000 Audience Choice Award. The winning startup in each vertical (5 total) will receive \$45k in non-dilutive funding, 6 months of free work space at GSVlabs Boston, and access to GSV's network of investors and Fortune 500s.

Join us for a night of pitching, and networking with transformative entrepreneurs, top investors, and leading corporations.
