

## The Indus Entrepreneurs: Innovation and Toxic Assets - Untangling the Credit Crisis

2009-06-11

This event, presented by TiE, will analyze the issues surrounding the ongoing credit turmoil. This session will demystify credit derivatives, securitization methodology and the market environment that led to the crisis. In addition, various governments are engaged in resolving the root of the crisis; the market implications of such governmental intervention will be discussed as well, in the context of the recent real-life cases.

WilmerHale is a sponsor of this event.
