The Indus Entrepreneurs: Opportunities and Challenges in Energy Storage Technologies

2009-04-27

This event, presented by TiE, will focus on the transition to clean and renewable sources of energy and efficient transmission and distribution systems. Attendees will have the opportunity to listen to a panel of featured speakers who will discuss the "greening" opportunities in the energy storage universe. Furthermore, the panelists will look at the benefits and challenges of various energy storage technologies in diverse markets such as personal electronics, hybrid electric vehicles and grid stabilization.

WilmerHale is a sponsor of this event.
