

## The Indus Entrepreneurs: TiECON East 2009

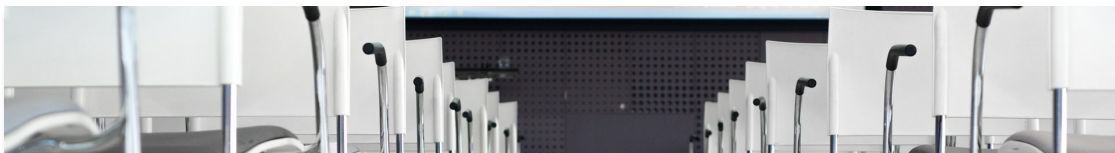

MAY 21-22, 2009

TiECON East is the annual flagship conference organized by TiE-Boston which leads TiE-East, a consortium of TiE's east coast chapters (including 2 in Canada). TiECON attracts important thought leaders, industry stalwarts and key venture capitalists and is the place to network about your next new opportunity. This year, TiECON East will showcase organizations and solutions that help businesses become capable of continuous growth in a socially responsible manner. This theme aims to bring into the limelight companies who have maximized sales and profits, or bottom-line returns, through innovation and creativity with minimal negative long-term impact on the environment.

WilmerHale is a sponsor of this event.
