

The Media Law Resource Center/Stanford University: Legal Frontiers in Digital Media

MAY 15-16, 2008

The Media Law Resource Center and Stanford University is presenting a conference entitled, "Legal Frontiers in Digital Media" which will focus on emerging legal issues surrounding digital publishing and content distribution. This conference is designed for in-house and outside lawyers representing media and digital content companies, as well as for Web publishing professionals who need to understand emerging legal issues in digital publishing and content distribution.

WilmerHale partner, Pat Carome, will be a moderator for a panel entitled, "Liability for User-Supplied Content: How Safe Are the Safe Harbors?"
